# Executive Memo

**To:** The Honorable City Council President Nick J. Mosby; Baltimore City Council

**From:** Shamiah T. Kerney, Chief Recovery Officer

**CC:** Mayor Brandon M. Scott; Christopher Shorter, Chief Administrative Officer

**Date:** December 30, 2022

**Re:** American Rescue Plan Funds - Performance Oversight Council Bill 21-0121 Monthly Report

---

## Background

This memorandum accompanies the City of Baltimore Mayor's Office of Recovery Program's submission of its monthly report to the City Council on spending and performance related to American Rescue Plan Act (ARPA) funding. Specifically, Council Bill 21-0121 § 49-2(B) prescribes the elements of legislatively required reporting, which stipulates that monthly reports should:

- 1) Provide data and metrics regarding how the funds have:
  - I. Increased the effectiveness of city government services;
  - II. Broadened the reach of city government services;
  - III. Made city government services more efficient;
  - IV. Made city government services more sustainable
  
- 2) Identify key performance indicators, benchmarks, and targets related to:
  - I. Equity, as defined in Article 1, § 39-1 of the Baltimore City Code;
  - II. Population Growth;
  - III. Labor and Employment;
  - IV. Economic Growth, especially the growth of minority and women-owned businesses;
  - and,
  - V. Community Benefit

## Commitments and Expenditures

There have not been any new project or project commitments during the month of November. Commitments total \$555,531,877.

On August 8, 2022, the City of Baltimore completed Phase II of Workday implementation, transitioning all financial transactions from multiple legacy systems into one modern, cloud-based application. The Recovery Office and other City agencies are working to review and validate data that migrated to Workday. Once this review has been completed and any notable questions or discrepancies addressed, the Recovery Office will resume submission of monthly and cumulative expenditure data to City Council.

The fiscal administrators of the Economic Recovery Fund (ERF) maintain accounting systems that are separate from the City's Workday financial system. Each month, the administrators are required to report to the Recovery Office on their spend-down of the portion of the Fund that they are administering. Accordingly, the ERF expenditures shown in the Appendix have been updated to include data through October.

### **Performance Measures and Metrics**

As previously noted, many agencies are still fully designing and implementing programs, therefore data are limited. Additional data on performance measures will be included in Council reports as programs are further implemented and data becomes available. The Recovery Office anticipates including some targets and benchmarks for agency performance during the FY23 period of performance. In the interim, the report includes narrative information on agency accomplishments to date. In addition, the Recovery Office is working with university partners and funded agencies and organizations in the coming months to establish equity-related targets based on best practices and available baseline data.

### *Population, Labor & Employment Growth*

Council legislation requires key performance indicators, benchmarks, and targets related to population growth. No data source exists that would demonstrate population growth on a monthly basis. In addition, some ARPA funding may be used for programs and initiatives that could result in population growth. However, such instances would be anecdotal in nature, and cannot be positively correlated to ARPA.

The Mayor's Office of Recovery Programs has awarded ARPA funding for significant investments into small businesses, and non-profits with a prioritization on minority and women-led organizations. As previously noted, data are limited as programs are being implemented. The results of efforts to date are included in the Economic Recovery Fund portion of the report.

The Mayor's Office of Recovery Programs continues to make significant progress in the awarding of ARPA funds, the monitoring of agency and organization's progress, and in the accountability and transparency in the use of these funds. Information on awards, reports and the public-facing dashboard can be found at [arp.baltimorecity.gov](http://arp.baltimorecity.gov).

**Figure 1: Organizations Funded by the Economic Recovery Fund**

### *Baltimore Civic Fund (BCF) Economic Recovery Assistance*

For the 2022 Nonprofit Relief Fund, BCF approved two additional grantees to receive reimbursement grants. One grantee was paid in November and the other grantee will be paid in December. ## **City Agencies Accomplishments**

***Baltimore City Recreation and Parks (BCRP)***

BCRP has an ongoing RFP for Parkview Recreation Center, and bids are due in December. The Greater Model pool, Gardenville Recreation Center, Furley Recreation Center, and Curtis Bay Recreation Center are currently in the design phase. For athletic court resurfacing and playground projects, BCRP awaits updated quotes and will begin submitting requisitions once received. BCRP anticipates that the Bureau of Procurement will process those requisitions through the BoE by February 2023. Finally, BCRP recently hired two additional public works inspectors and is recruiting for three remaining vacancies.

### ***Baltimore City Health Department (BCHD)***

In November 2022, BCHD organized 73 mobile vaccination clinics and gave 854 COVID-19 vaccine doses. The vaccination program completed its last canvassing rotation for the year, wrapping up outreach efforts in Northeast Baltimore. Winter COVID-19 testing plans are in place, with indoor locations identified. Additionally, the move into the PPE warehouse is complete, and data has begun to be migrated into the new Inventory Management System. Finally, BCHD communications hired and onboarded the Digital Communications Manager.

### ***Broadband and Digital Equity (BDE)***

Broadband and Digital Equity is finalizing the design of the Digital Equity Fund and preparing to launch a public-facing grant application during the first quarter of 2023. In addition, the agency continues to make progress on launching the Digital Equity Fund.

### ***Department of General Services***

The Department of General Services (DGS), in collaboration with the Baltimore Police Department is using ARPA funding to purchase 100 hybrid utility marked patrol vehicles. DGS is utilizing a previously bid contract to procure the vehicles. DGS expects the imminent approval of the purchase order, which will enable DGS to order the vehicles. DGS expects extended delivery times for the ordered vehicles, but anticipates vehicle delivery, marked up car fitting, and training to be completed within the statutory ARPA timeline to expend funds.

### ***Mayor's Office of Children and Family Success (MOCFS)***

Baltimore City started disbursing monthly payments to approved Guaranteed Income Pilot program participants on August 15, 2022. CASH Campaign continues to disburse monthly payments and provide services like financial counseling to participants, as well as collect performance and program evaluation data.

### ***Mayor's Office of Homeless Services (MOHS)***

MOHS started conducting listening sessions alongside DHCD to engage the community in the decision-making process for ARPA funded initiatives. In addition, the workgroup and committee structures are leading to increased collaboration across City departments, the Continuity of Care (CoC), providers, stakeholders and people with lived experience. In addition, progress has been made on the following MOHS projects:

## *Mayor's Office of Neighborhood Safety and Engagement (MONSE)*

MONSE has successfully completed the pilot demonstration of the Group Violence Reduction Strategy (GVRS) in the Western District and is in the process of expanding to the rest of the city between early 2023 and mid-2024, starting with the Central and Southwestern Districts. MONSE has continued working on subgrant agreements with Community Based Organizations through the Board of Estimates process, though the most notable accomplishment is the execution of the Memorandum of Understanding between the Department of Recreation and Parks (BCRP), MONSE, and the State of Maryland Department of Public Safety and Correctional Services (DPSCS). By the end of the year, MONSE will begin a soft launch of this program with DPSCS involving a small cohort of participants at locations already identified by BCRP.

Relative to Community Engagement and Opportunity, MONSE's CNSR protocol is actively responding at 1400 E Fayette St and Fulton and W Lafayette Aves. MONSE has begun the collection of 911, 311, and 211 data, and engages with community partners and city agencies to coordinate response efforts. In response to the 1400 E Fayette St. activation, MONSE is partnering with the Douglass Homes Tenant Council and HABC's Resident Services Coordinator to develop a strategic community-centered response effort. MONSE has activated the Mayor's Office of Neighborhoods and canvassed the neighborhood in the 6X6 block radius. MONSE has also scheduled the Office of Equity and Civil Rights, Mayor's Office of Employment Development (MOED), Department of Public Works (DPW), Department of Transportation (DOT), and the Baltimore City Department of Housing & Community Development (DHCD) to be mobilized. In response to the Fulton and W Lafayette Ave activation, MONSE is partnering with MOED and the West Baltimore Yo! Baltimore Center.
